### **\*Financial Support Applications are due Monday, 16 May 2016!\***

The ASC 2016 Organizers are proud to partner with the IEEE Council on Superconductivity (IEEE-CSC) to provide financial assistance to participants attending the conference. Thanks to a generous grant from IEEE-CSC, student and non-student participants may apply for financial assistance that will waive the registration fee and/or provide for a travel stipend in exceptional cases. Applications are due **Monday, 16 May 2016**. [Click here for additional information and to apply.](#)

### **\*Exhibit Contracts are due Wednesday, 1 June 2016!\***

[Click here](#) for exhibit information and a link to the exhibit application and contract agreement.

### **\*Hotel Reservation Deadline: Friday, 22 July 2016!\***

ASC has negotiated discounted hotel rates with 11 hotels for ASC'16 attendees and **all** are in close proximity to the Colorado Convention Center. **You must make your hotel reservation through Orchid Event Solutions.** Hotel reservations are taken on a first-come, first-served, space available basis. Submit your request as soon as possible for the best opportunity of receiving your hotel choice. [Click here](#) for more information.

### **\*Denver Airport Rail is now Open\***

At a cost of \$9 each way, you can now take the rail service in Denver, known as the A Line, to get from Denver International Airport to Denver Union Station downtown. From Union Station, it is a \$6 cab ride to the Colorado Convention Center. [Click here](#) for more information about the Denver Airport Rail and to book your ticket.

## Sponsorship

The organizers are pleased to call your attention to special sponsorship opportunities. [Click here](#) to review sponsorship opportunities that can provide additional visibility for your organization.
