

ICEC29-ICMC2024 - CERN, Geneva, Switzerland - save the date!

Dear all,

ICEC29-ICMC2024 is going back to an in-person conference and is scheduled to take place **July 22-26, 2024**. The conference will be organized by CERN and will be held at **the International Conference Centre of Geneva (CICG)**. You will have the opportunity to visit the unique CERN cryogenic facilities.

[The ICEC29-ICMC'24 website](#) is your source for conference information. Please check the website often for updates.

ABSTRACT SUBMISSION

Abstract submission will open beginning of December 2023. Authors are requested to submit abstracts that address any aspect of cryogenic engineering and cryogenic materials research. The subject matter should be technically oriented and feature new, original developments in cryogenic engineering and materials. **The deadline for abstract submissions is February 15, 2024**. The instructions for abstract submission will be available via the website in due time.

CRYO EXPO EXHIBIT

ICEC29-ICMC'24 will hold an in-person exhibit at the International Conference Centre of Geneva. The exhibits will consist of product manufacturers and service providers related to the cryogenic industry and will be held in conjunction with the technical conferences.

Looking forward to welcoming you at the end of July 2024 in Geneva, Switzerland, and CERN!
The local Organizing Committee
