

# MT26 CALL FOR ABSTRACTS

The 26<sup>th</sup> International Conference on Magnet Technology (**MT26**) will be held at the **Hyatt Regency Vancouver** from **Sunday, September 22 through Friday, September 27, 2019**.

MT26 is an international forum for all aspects of magnet technology. The program will consist of plenary sessions, focused and special sessions, the young scientist plenary session, and oral and poster presentations, integrated with a technical trade exhibition. Authors are requested to submit abstracts via the INDICO submission site addressing all aspects of magnet technology research and development including permanent, resistive, superconducting, and hybrid magnets.

Submitted abstracts will be reviewed for content and when accepted, will be used to develop the technical program. All authors of accepted Oral and Poster abstracts are expected to submit their presentations via the INDICO site by the first day of the Conference, September 22, 2019. All Plenary, Oral and Poster presentations will be available to all conference attendees.

## MT 26

### International Conference on Magnet Technology

Vancouver, Canada  
Sept 22-27, 2019

[www.MT26.triumf.ca](http://www.MT26.triumf.ca)

## Abstract Submission Deadline: February 25, 2019

Submit abstracts at: <https://indico.cern.ch/event/763185/>.

### Publications

The MT26 manuscripts are published in the IEEE TRANSACTIONS ON APPLIED SUPERCONDUCTIVITY. Submitted manuscripts will be subject to the usual peer review procedures of the Transactions. Articles accepted for publication will be available online soon after the date of acceptance, and will be identified by an article number. It is anticipated that articles will begin to be available for download and citation within 3 months after the Conference. The collected articles will also be published in print in the June 2020 issue of IEEE TRANSACTIONS ON APPLIED SUPERCONDUCTIVITY.

### Industry Exhibition

A technical exhibition of materials, services, instruments and literature will take place during the Conference. Detailed exhibit information can be found on the MT26 website.

### Technical Submission Categories (Main Topics)

- |                                                                  |                                                                            |
|------------------------------------------------------------------|----------------------------------------------------------------------------|
| A - Magnets for Particle and Nuclear Physics                     | E – Magnet Technology for Power, Energy, Transport, and other Applications |
| B - Magnets for Fusion                                           | F - Conductors and Materials for Magnets                                   |
| C - Magnets for High-Field Facilities                            | G - Magnet Test, Analysis and Design Tools                                 |
| D - Magnets for Medical, Biological, and Analytical Applications | H - Associated Technologies for Magnets                                    |

*The complete list of technical submission categories can be found on the MT26 website.*

### Important Dates

- |                                                  |                                                 |
|--------------------------------------------------|-------------------------------------------------|
| Exhibit Registration Opens: December 3, 2018     | Hotel Reservation Opens: May 1, 2019            |
| Abstract Submission Opens: December 3, 2018      | Early Registration Fee Deadline: August 7, 2019 |
| Abstract Submission Deadline: February 25, 2019  | Hotel Reservation Deadline: August 23, 2019     |
| Abstract Acceptance Notification: April 29, 2019 | Start of Conference: September 22, 2019         |
| Conference Registration Opens: May 1, 2019       | Paper Submission Deadline: September 24, 2019   |

### Conference Information

All conference and exhibit related information will be made available on the conference website at <http://mt26.triumf.ca>. For any additional inquiries, please contact the Conference Management.
